47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't let AT&T ruin Sonic and other competitors. AT&T is a terrible, terrible company with bad prices and bad service. They tried to charge me for bogus additions in the past that I never even requested. Their speeds are also really low, and not at all useful for playing video games online with my friends.
